

SERIE 700

Code CR0992499

Model 70FTT/G1225

GAS GRIDDLE WITH 2/3 SMOOTH 1/3 RIBBED CHROMED PLATE TOP VERSION - THERMOST. CONTROL

General Features

The 700 BARON line is made in compliance with strict European Standards in terms of safety, hygiene, reliability and respect for the environmental and is certified under international standards such as CE, GOST, AGA and others. Stainless steel with scotch-brite finish heightens the aesthetic appeal, and the technological and ergonomic innovation of this equipment. Thanks to great compositional flexibility, cook tops can be matched with oven bases and accessorised with hygienic finishes. Customised line-ups are possible by combining and fixing the equipment back to back, flushed sideways with perfectly sealed connections, or by creating "bridge" structures, offering top solutions to any chef.

Basic range features:

- 2" height adjustable stainless steel feet.
- removable control panel for access, moulded and shaped to avoid withholding dirt.
- recessed, tilted and ergonomic knobs.

FRY TOP

Technical/functional characteristics

- Lowered griddle compared to the 4 cm top and tilted towards the machine front by 1 cm to drain the fat.
- Wide drawer for fat collection.
- Available with soft iron griddle or polished chrome griddle.
- Stable flame burners with piezo ignition.
- Independent controls every 40 cm wide module.
- Temperature adjustment from 100°C to 280°C for the chrome version.
