

# SERIE 600

**Code** BA2D231Q00221

**Model** BR16SP01

## REFRIGERATED BENCHES WITH 3 DOORS - TEMP. -20° -15°

### General characteristics

A line of compact cooking appliances, designed for people who do not want to give up on high performance, even in small spaces. All models are CE-approved.

### REFRIGERATED BASES

### Technical/functional characteristics

External panels, back panel, doors and worktop in AISI 304 18/10 stainless steel (with Scotch-Brite satin finish). Inner lining with rounded corners in AISI 304 18/10 stainless steel. Insulation in high density (42 kg/m<sup>3</sup> approx.) expanded polyurethane, 50 mm thick, HCFC-free. Ergonomic handle throughout full width of door/drawer and magnetic seals on all four sides. Compressor and condenser mounted on a removable base to simplify and facilitate, maintenance or replacements. Automatic defrosting via electric heating element.
