

SERIE 600

Code CR0855919 **Model** 6NFT/G600L

GAS GRIDDLE WITH SMOOTH PLATE - TOP VERSION

General characteristics

A line of compact cooking appliances, designed for people who do not want to give up on high performance, even in small spaces. All models are CE-approved.

FRY TOP

Made of AISI 304 18/10 stainless steel, elegantly finished with Scotch Brite satin finish, it has rounded edges and capacious recessed areas; it is 600/650 mm long and has a modular width of 400/600/700/800/1000 mm; the series comes complete with open base supports, with cupboards or refrigerated bases. The appliances can be easily put together to build a unit, that is compact, without any gaps thanks to a covering profile that guarantees protection against leaks and therefore excellent hygiene. High flues, ergonomic knobs mounted on a sloped control panel for better visibility, make this range easy to use from the very first time.

Technical/functional characteristics

The steel cooking plates are heated by gas burners, so as to guarantee that the temperature will rise rapidly and maintain the preselected values. The temperature can be adjusted from 120-280°C. The plates are equipped with splash guards so that the hob can be kept perfectly clean and hygienic. The work surface is slightly sloped so as to send sauces, grease and dressings into the capacious drip tray designed for this purpose. Designed with piezoelectric ignition, pilot flame, thermocouple and valved tap to ensure maximum safety.

Technical Data

Dimensions	
Width (mm)	600
Depth (mm)	650
Height (mm)	295
Gas connection (Ø)	-
Electric connection (V/~ /HZ)	-
Cold water connection (Ø)	-
