

SERIE 700

Code CR0991369 **Model** 70PCVP/WG1028

WOK 2 BURNERS GAS RANGE 14KW ON CUPBOARD

General Features

The 700 BARON line is made in compliance with strict European Standards in terms of safety, hygiene, reliability and respect for the environment and is certified under international standards such as CE, GOST, AGA and others. Stainless steel with scotch-brite finish heightens the aesthetic appeal, and the technological and ergonomic innovation of this equipment. Thanks to great compositional flexibility, cook tops can be matched with oven bases and accessorised with hygienic finishes. Customised line-ups are possible by combining and fixing the equipment back to back, flushed sideways with perfectly sealed connections, or by creating "bridge" structures, offering top solutions to any chef.

Basic range features:

- 2" height adjustable stainless steel feet.
- removable control panel for access, moulded and shaped to avoid withholding dirt.
- recessed, tilted and ergonomic knobs.

WOK

Excellent cooking ranges are essential in every kitchen and are extremely versatile for any type of cooking. The electric ranges are available with independent cast iron plates, glass-ceramic top or induction top.

Technical/functional characteristics

- Outer casing and feet made of stainless steel.
- Worktops with a 20/10 thickness with 550x520 mm or 950x520 mm for the 700 range.
- Right rear drain with a 22 mm diameter, configured for earth connection.
- With grease collection draw (approx. 2/3 lt capacity).
