FIXED HEIGHT ELECTRIC SALAMANDER

SALAMANDER GRILLS

A line of compact cooking appliances, designed for those who do not want to give up on high performance, even in small spaces.

All models are CE-approved. Featuring both gas and electric models, adjustable height settings and constructed in AISI 304 stainless steel.

A great addition to any kitchen, they can be placed on a bench surface or wall mounted at eye level enabling close control of the cooking process.

Technical / functional characteristics

- Made of AISI 304 stainless steel with a satinized finish
- Heating elements are made of Incoloy
- Feature air vents along the upper side for evacuating heat and smoke
- Rapid cooking times
- Efficiency and energy saving
- Chromium-plated steel grids, adjustable at different heights and provided with heating resistant handles
- Temperature managing by means of energy regulators
- Easy to remove back panel, in order to use the appliance in the same way as a pass-through salamander
