ROBUST AND ESSENTIAL  
HOOD-TYPE DISHWASHERS

You asked and we listened! We are thrilled to announce our brand new range: HT 10. These robust and essential hood-type dishwashers simply make sense. Nothing superfluous: solid S/S

body with single skin hood, sloped tank, innovative and light arms, controlled temperatures and, only if needed, detergent dispenser and drain pump. Wash, rinse, restart. It is really that simple.

## ELECTRONIC VERSION

The intuitive LED control panel of the HT 10 L model will display if the correct temperatures of both tank and boiler have been reached. You can choose among 3 different wash programs to perfectly tailor the performances of the machine to the crockery that needs to be cleaned.

## FEATURES

- 1 wash cycle (HT 10)
- 3 wash cycles (HT 10 L)
- Self-cleaning cycle on the electronic version (HT 10 L)
- Tank and boiler thermometers
- Hood operating start/stop functions
- Deep-formed tank
- Innovative system of coupled wash and rinse arms in polypropylene and fiber of glass
- Standard surface filters in polypropylene
- Pump filter
- Standard rinse aid dispenser
- Easily removable basket support
- Linear or corner layouts
